

# HBDFA VELVET AWARDS 2025

Thank you to our Judge:  
Ross Moore

Thank you to our Sponsors:  
Burden Livestock, Farmlands, FMG, First Light, Provelco,  
PGG Wrightson & Vet Services

The Awards came around far too fast this year! The phone tree coming into use very quickly asking if members were entering and coming to the dinner this year, the majority saying “\*\*\*\*, is that next week?!” What an evening with the weather putting on a stunning afternoon though most were asking for some rain.

A lot of comments around the trolleys George and Laura use to transport the velvet from cutting room to chiller, I think Laura and George need to put a patent out quickly.

## COASTAL CATERING

A big THANK YOU goes out to Jaime for putting on an amazing feast and even looking after that one annoying GF person.
